

Historical Guides Association of California Presents

A CONSERVATOR'S VIEW OF SOME RESTORATION WORK AT HEARST CASTLE

Here is your opportunity to learn some of the “alchemy” in the conservation of art at Hearst Castle. **Zdravko Barov**, who has been practicing the craft of restoration for more than 45 years, will give a behind-the-scenes look at what has been done and why, touching on aesthetic, ethical and scientific issues. Hear about earthquake repair, detection of rare painted detail, finding the quarry of an ancient sarcophagus, and more.
